- 04** Mix some gold edible silk with alcohol and paint the crown, the crown on the frog and the inside of the shoe - along with the windows and doors of the castle
- 05** Next paint the tops of the castle and the front of the shoe (see pic) blue and use the edible pen to colour the frogs eyes.
- 06** Attach the motifs to the discs using edible glue and place one on each cupcake.

Stand back and enjoy your creation!
